**Subject – Travel Restrictions**

- Greetings from the USA.

I noticed you wrote a letter for Milad.

You and your entire office can find up to date information about your patient online at [MiladOskouie.com](http://MiladOskouie.com). This letter will be uploaded shortly.

I have met with local, state, and federal law enforcement agencies in the USA, UK and UAE to deal with the crimes of your patient. This matter is currently being investigated by all three countries. I am presently coordinating with the authorities to provide a list of people who associate with Milad.

I can assure you, this will end badly for all staff members of your office.

Your patient's brazen criminal actions are going to negatively impact you, your daughter (Instagram), and your entire family's ability to travel outside of Iran.

Sincerely,

Brandon L. Maddox, Pharmacist, MBA
