**Subject – Your Son Milad Oskouie**

Dear Mr. & Mrs. Oskouie -

Greetings from the USA.

You and your family (daughter) can find up to date information online at [MiladOskouie.com](http://MiladOskouie.com).  
This letter will be added online the day it is delivered.

Why does your son continue to terrorize me, my business, and my family? Is it because I am Christian? Is it because I am American? Your sick son calls and terrorizes my wife on her cell phone. I created Milad a free testimonial to help his business and he repays me with theft and terrorization for over eighteen months.

The USA agencies that regulate firearms are not impressed with your son's cyber jihad against my business. I can assure you, this is not going to end well. Milad's ongoing criminal actions are going to negatively impact your entire family.

As his parents, you must stop Milad's ongoing criminal activities immediately.

What is the punishment for theft in Iran?

Do you have no influence over your own son?

Sincerely,

Brandon L. Maddox, Pharmacist, MBA
