RESPONSES FROM DEFENDANT OSKOUIE

REQUEST NO. 26

All documents and communications concerning every third party employed by You, Defendant Osko, or Defendant Platinum in connection with <FFLTrust.com>.

Response No. 26:

Defendant specifically objects to this Request on the grounds that it seeks the production of documents that are not in the actual possession, custody, or control of Defendant, but rather are in the possession, custody, and control of other Defendants or of third parties. Defendant specifically objects to this Request to the extent that it seeks documents protected from discovery under the attorney-client privilege, attorney work product doctrine, or any other applicable privilege or protection. Defendant further specifically objects to this Request on the grounds that it is wholly overly broad, ambiguous as to the meaning of “employed” in the context of this Request, unduly burdensome, and seeks information or documents that are neither relevant to any party’s claim or defense nor proportional to the needs of the case. Defendant further objects to this Request on the grounds that it is duplicative of subsequent and prior requests.

Subject to and without waiving the foregoing General and Specific Objections, and subject to a stipulated confidentiality agreement and protective order, Defendant will produce any non-privileged documents within his actual possession, custody or control that can be located after a reasonable and diligent search that are responsive to this Request.
